Dear Doctor Saghezchi:

We're happy to welcome you into Life Membership with the American Dental Association, California Dental Association and the Santa Clara County Dental Society. Life members are age sixty-five (65) years or older *and* have either been a member for thirty (30) consecutive years, or thirty five (35) years total for CDA and forty (40) years total for ADA.

As a life member, you receive a pin, a CDA certificate of recognition and a reduction in your annual membership dues. You are entitled to all the privileges of an active member in recognition of your career and support of organized dentistry.

We will be recognizing our 2019 Life Members at the General Membership Meeting on **Thursday, March 14th**. It is very meaningful for other members to witness your steadfast presence in the Dental Society over the course of your career. We hope to have the honor of your company.

Please take a moment to RSVP. If you have any questions regarding the change in status of your membership, please do not hesitate to contact me at the Dental Society office. Once again, we commend your achievement.

Sincerely,

Sherry Williams,
Membership Coordinator
